Why should I take Fork Truck Training?

This course is for employees who have a requirement to operate a fork lift. This course is designed to instruct employees in proper vehicle operation, the hazards of operating the vehicle in the workplace and the requirements of the OSHA/MIOSHA Standard for powered industrial trucks.

What will you learn in this training?

- Accident Prevention
- Powered Industrial Vehicle Identification
- Required Safety Procedures
- Resources
- Hazard Recognition
- Importance of Maintenance
- Pre-use Inspection
- Site Inspection
- Requirements of the OSHA/MIOSHA Standard for Powered Industrial Trucks

Certificate

GLSTC will provide Training Certificate/Operator Permit Cards to the employer. The employer is responsible for the completion of the Operator Cards. Operator Permit Cards are valid for three years.

This class awards .4 CEU credit hours.
