

## ***GLSTC Pete Crawford Safety Champion Award (for companies)***

Please share your organization's safety achievements from 2025. This should be approximately 1-2 pages. Data supporting your company's achievements is welcomed and encouraged. Possible areas of focus may include, but are not limited to:

- Innovative safety program
- Improved or redesigned safety program
- Added safety guidelines for employees
- Significant reduction of reportable injuries due to your program
- Positive company action that led to improvement
- Expanded safety awareness through company & employees, either on or off the job
- How safety has increased in the past year compared to prior years
- Stories of effectiveness of new programs
- Employee involvement in health and safety related professional associations

## ***GLSTC Safety Professional of the Year Award (for individuals)***

This award is awarded to a person who is an advocate for safety, not only their organization but for everyone, and truly makes a difference by their actions. They are a true Safety Trailblazer.

- This award recipient is chosen by the staff at GLSTC and demonstrates a shared vision of the mission and efforts of GLSTC.
- This person is passionate about safety and it is engrained in their everyday life. They not only talk the talk; they walk the walk.
- Continually look for innovative and sustainable ways to encourage those around them to keep safety as a priority.
- Demonstrates innovation and proactive leadership utilizing highly effective practices to inspire and lead others to practice safe work habits.
- Encourage and motivate others to follow in a strong safety culture and mindset.
- They understand it takes not just one person, but a community to help each other stay safe.
- This person spends countless hours participating in safety meetings, team building, client safety meetings and safety task groups.
- They volunteer countless hours of their time and efforts to create positive changes and improvements in safety.

Award Nominations must be received by **February 13, 2026**.
